Dr. Johnson, founder of Advanced Correctional Healthcare and co-founder of Health Professionals, LTD, has over 25 years experience in direct health care management. His background includes the development of a large medical group consisting of nine primary care physicians with eight subspecialties and health care systems development and management. Dr. Johnson, a board certified Internist with a sub specialty in gerontology, is a member of the Society of Correctional Physicians.

As CEO of Advanced Correctional Healthcare, Inc., Dr. Johnson has over 25 years experience in direct healthcare management. As the former President/CEO of Health Professionals, LTD, he has extensive experience in the correctional healthcare environment including facility analysis, program development, professional staffing, contract negotiation and utilization review. As CEO he draws from his managed healthcare experience to position Advanced Correctional Healthcare as an industry leader that provides the highest standards in inmate healthcare and client relations.

In addition, Dr. Johnson is involved with client relations and provides educational programs for National, State and County Associations.
